## “Ring, Little Bells” Lyrics

1. Ring, bells, go ting-a-ling-a-ling,  
Ring, little bells!  
O how cold the winter!  
Will you let me enter?  
Do not bar the doorway  
On my blessed birthday!  
Ring, bells, go ting-a-ling-a-ling,  
Ring, little bells!

2. Ring, bells, go ting-a-ling-a-ling,  
Ring, little bells!  
Maid and Infant tender,  
Will you let us enter?  
To us shelter giving,  
And the Father praising?  
Ring, bells, go ting-a-ling-a-ling,  
Ring, little bells!

3. Ring, bells, go ting-a-ling-a-ling,  
Ring, little bells!  
In our hearts now stealing,  
'Mid the bells all pealing,  
Joy and blessing holy  
From the Child so lowly,  
Ring, bells, go ting-a-ling-a-ling,  
Ring, little bells!
